10/06/2021 6:31 PM
@everyone
Hello AI FOLKS ♡,
Hope you're doing good for today,

I guess you all recieved an email about the general assembly 🐣🐣🐣 , make sure
to join us tomorrow at 7:00pm, in order to have a fruitful discussion about what
we will do this year Nchlah 😌😌😌

If you have any questions don't hesitate to ask in the comments.

See you tomorrow 😉
Nazim Bendib
—
10/10/2021 10:42 PM
Hello @everyone ,
We are scheduling a "Coding game" tomorrow at 10pm 🐣 , we really encourage you
to come and join us in this coding session 💻 , whether you are a beginner 👶
or not, you will learn A LOT ✏️ . Even though it's geeky 🤓 , but it would be
so COOL 😎 and FUN 🐣 .

For those who don't know what's "Coding game", it's a website, in which you can
play with your friends or even with strangers. The game consists of solving a
given problem.

Three modes are available:
- Fastest ⚡ : The first to solve the problem wins.
- Shortest 🐭 : The shortest solution wins.
- Reverse 🔁 : In this mode, they don't give you a problem statement, but
instead they give you the input and output, and you should find the code to
reproduce the outputs from the given inputs. The first who finds the solution
wins.

If we find enough motivation, we will make it a Weekly or Biweekly activity.

So yeah, if you do have any questions, feel free to ask in
Unknown , If you want to join the coding game, react 💥

10/30/2021 1:06 AM
Hey @everyone 🧙 , as the new season has just begun 🎿 , we want to make cool
T-shirts for you so that you represent our AI community 😝 , the two models are
down below 👇 :

We also want to write something in the back of the t-shirt, more like a slogan
or a quote what will represent School Of AI from now on 🐣 , that's why we are
starting a challenge 🎁 , in which you can propose phrases or quotes to write in
the back of our t-shirts, and the one with the best quote will get the t-shirt
FOR FREE 🎊

Fill the this form https://forms.gle/njRwf9JDefYnaodA9 to propose the slogan 👇
Some tips:
    -    The slogan must be original (makekelah copier coller 🌀)
    -    The slogan should be related to AI, deep learning, ...
    -    It would be SO COOL if the slogan contains some sort of PUN
Image
Google Docs
Slogan for the School of AI t-shirts
Show us your creativity, feel free to propose an original slogan to write on the
back of the t-shirt and you can win the t-shirt for free.
Image
Meriem
—

10/30/2021 8:19 PM
@everyone don't forget to propose your personal slogan or quote ♨ the deadline
is for today at 23:59
we may already have a winner 😊 🎴

11/06/2021 10:00 PM
Hey wizards @everyone   🧙 ,
We will be having a STAND in ESI this Wednesday and Thursday ♨

As you may have heard, we're no longer able to do our "welcome day" in spot 🥹 ,
so in order to promote our club and activities in the school ☑ , we will do a
STAND ✨

For those who want to be in the stand, please react ✅ to this post and send me
a message in person (here on discord) so that we can discuss more about how
we're going to act
Nazim Ks
—
11/27/2021 8:26 PM
@everyone
Welcome wizards 🤍   ,
I hope you're doing very well 🤞 ,
First of all, School of AI is thrilled to welcome our new members on board 😎 .
I know that you're going to enjoy becoming part of our crew here ♨ ♨ .
Since the new season has already started, We are excited to announce that our
first event neurIPS Algiers is finally HERE 😎 🥳 .. it's just 2 weeks away
and you'll be part of this amazing adventure 🥳 ♨ .
So Stay Tuned to know more about it and make sure to share our daily posts about
the event on social media ✅   .
Here is the the link of the event 👆 :
https://www.facebook.com/events/499412111172939?ref=newsfeed&_rdc=1&_rdr
Have a great day wizards 🤍 .

—
11/28/2021 10:14 PM
@everyone
Hello wizards 👋 ,
I hope that you're doing well 🥰 , It's time for us to meet and discuss about
our club vision 👆 .
School of AI is inviting you to attend our General Assembly in the "General"
voice channel on discord 🥳 🤍 .
So, Make sure to join us Tuesday at 7:00pm, in order to have a discussion about
what we will do this year and our plans ♨ ♨ .
Have a great day 🤍
Nazim Ks
—
11/29/2021 12:38 AM
Hello again wizards,
Just a small update, About the timing of the General Assembly is gonna be at
6:30pm not 7:00pm to avoid an overlap between Shellmates AG and ours ✅ 👆
Nazim Bendib
—
11/30/2021 6:28 PM
@everyone we will be starting our first general assembly in few minutes in the
"General" voice channel here on discord ♨
See you there !!

 —
12/05/2021 9:33 PM
Hello @everyone 👋 ,
I hope that you are fine 🤍 (Even though I really doubt it for those who have their exams this week 😟 YOU ARE THE SURVIVORS)
I'm here to announce that the NeurIPS Algiers Meetup's webpage 💻 is finally accomplished and successfully deployed 🥳🥳🥳 SHOUT OUT to the @Design team who worked on the design 💫 and the @dev-neurips21 team who worked on the development 🐣

Here is the link: https://neurips.soaialgiers.live/

Also, I would love to remind you that even the members should register in order to attend the talks 🤗 you will find the REGISTRATION button in the website above 👆

Good luck ! I can't wait to start working with you.
Best regards.
SOAI NeurIPS
NeurIPS Algiers meetup is an online evening to promote AI research and discuss NeurIPS 2021 content.

12/10/2021 8:55 AM
@everyone
Hello wizards 😌
I hope you're doing very well 👋 ,
First of all for those who had exams last week, We hope that you would've performed well in your exams 🤍 .
I'm here to announce that we will have a discussion about neurIPS talks and also we've prepared for you a small Quizz 🐣 🤗 .
So, Make sure to join us Today at 7:00pm in the "Meeting Room 1" voice channel to know more about it ✅ 🐣 .
Have a great day wizards. 🤍
Hadjer
 —
12/11/2021 12:04 PM
@everyone
Hello wizards,
Finally our event "NeurIPS Algiers Meetup" is here! 🥳
At 17:30 join us on zoom to attend the different talks, ask questions and discover why AI research is really exciting ! 🤯

After the fun we had with yesterday quizz :p today after the event we're going to have another quiz !

This time with a GIFT ! 🎁
The quiz will only contain questions about the talks of today, so pay attention to them and ask question to understand the concepts. 🤗

See you in few hours 🤘
Hadjer
—
12/11/2021 9:55 PM
@everyone the meetup was really long, we'll let the quiz for tomorrow inshAllah ☺
Nazim Bendib
—
12/12/2021 7:44 PM
Hello @everyone , as promised yesterday, we are going to have a quiz ❓at 8pm (20h) concerning the talks of the NeurIPS Algiers Meetup 🔊 The talks were so epic and very interesting, and we really hope that you learned a lot from them. Unlike the last quiz that we had, this winner of today's quiz will win a PRIZE 🎁 , which is a Head Set 🎧 🔊 . We will let the winner know how to pick his prize after the quiz.
See you there everyone !
Best regards,
Nazim Bendib
—
12/16/2021 9:39 PM
Hey @everyone I hope that you are doing okay,
Now that you are on holly days, it's time to assign you to your department and start the serious work. As you know, we have an activity and an event to start working on:
- The training program for the beginners
- AI Day (we will talk more about it in the upcoming days InshaAllah)

For the departments, as you already know, we have 5 departments:

Design department 🎨 :
This department is responsible for the visual identity of the club, you will be designing posts, logos, templates, UX and UI for websites or mobile apps, video editing... Overall, everything that would be seen by our community or shared on our accounts would be under the umbrella of the design department (LES ARTISTES ✨)

Communication department ✉🗯 :
This department is responsible for the communication inside and outside the club and the management of our media accounts. So if you are good in language (Arabic, French or English) and good in speaking and writing, we would be more than happy to have you with us in this department !! it's a great opportunity for you to enhance your linguistic skills.

Development department 💻 :
In this department, we build or develop apps or platforms to support our event and activities: websites, mobile apps, discord bot, ...
Being in the department doesn't mean you will learn more AI related stuffs (machine learning / deep learning) as it is only responsible for the website and mobile app creations.
Marketing department 💼 :
this department is responsible for the promotion of our club and its events, build relationships with companies, get sponsors, build marketing strategies ... It is indeed a great chance for you to build a strong network and enhance your negotiation and persuasion skills. Welcome with us marketer 🔊

Events department ▫ :
Events, events, events... this is the most important department in the club, as it is responsible for the organization of all of our events, either on spot or online. Plan, Prepare and Execute. This department will work along with all of the above to establish a good preparation and organization of the events.

Orchestra chefs ♡💧

Again, you should know that all the members will get the opportunity to work on the projects 🐻 and to learn from the training program 📝 . This is a club of Artificial Intelligence 🐢 , we all have the right to get our hands dirty with data, experimenting and FAILING, and it's not only for the members of a particular department .

Here is the link @everyone , it would be closed on Saturday at Midnight 🏢 , feel free to talk about your experience for applying to your department as it is the only factor on which the selection will be based:
https://forms.gle/YcKnAA8o3hgrrH3X9

GOOD LUCK

12/22/2021 9:55 PM
Hello @everyone I hope that you are doing fine 💫
We have some GOOD NEWS for you 💧 We contacted an NVIDIA certified expert and asked him to do a workshop for our members 🧙

Unfortunately 😖 only 20 members will get the chance to attend the workshop and they should already be familiar with Python, Numpy and Pandas ✨ . So in order to fairly select the 20 attendees, we will have a Quiz for you about Python, Numpy and Pandas, and as you may have already figured it out, the top 20 will get to attend the workshop !

The workshop will be held on 26 December and it is 8 hours long 🔥
For more information about the workshop: https://www.nvidia.com/content/dam/en-zz/Solutions/deep-learning/deep-learning-education/dli-fundamentals-of-deep-learning-1369828-r3-web.pdf

The Quiz will be tomorrow at 8pm, make sure to attend, good luck guys.
If you have any questions ask in

@everyone Hey wizards 🧙 I hope that you are doing fine,

Finally, the long waited AI TRAINING PROGRAM 🔥 is about to start.
As promised, this training program is made for absolute beginners, as the main goal is to help you start a career in Machine learning, and make of you the next lead of School Of AI - Algiers 🌍 (And of course, have fun 😄)

The first workshop will be held by @Anfel , and it is titled:

- Introduction to python

For those who don't know about python, ✨ PYTHON ✨ is one of the most used programming languages nowadays, and it's definitely a must skill to start your career in Data science 💻 or especially in Deep Learning. 😎 . In this 2 hours workshop, you will get to learn about python, it's syntax, both the basic and advanced concepts, and also you will get your hands dirty as you will get to code along with trainer (COOL ISN'T IT ?! ✨)

Also, there will be a Kahoot challenge by the end of the workshop, the winner will win some SOAI swags 🎁

The workshop will be tomorrow Friday 31 December at 3 PM. We will send you the meeting link soon ! Make sure to attend

IMPORTANT ⚠ : CALL FOR TRAINERS AND MENTORS 🔥

Hello @everyone ! As you may already know, ✨ AI Day ✨ will take place on January 22nd.
It's one of the most well-known School Of AI - Algiers 🌍 events, in which we discuss the state of the art in AI and the most intriguing topics from the previous year 🔥 .

We planned to hold four workshops in this third edition:

- Introduction to deep learning (This one is for beginners)

- Transformers.

- GANs (Generative Adversarial Networks).

- Introduction to reinforcement learning.

This is a CALL FOR TRAINERS AND MENTORS 🤕 . The trainers' and mentors' jobs are to prepare for the workshop and to serve as mentors on the day of the event. So if anyone wants to contribute in the technical side of this event, serve as a trainer or a mentor, please fill the following form:
https://forms.gle/3URN62TQ3TWuBfpNA

The form will be closed on January 5th.

If you have any question, feel free to ask in
Unknown

For example, five people will volunteer to be mentors for the Transformers workshop.
One of them will be the one presenting, while the other four will be there with him in the same classroom, and help the participants facing any issues. For the content of the workshop, the five of them can contribute !!

Hello Wizards ! @everyone 🧙
We hope you're doing great. We kindly ask you to change your profile name in our club server to your real First or Last names, for some organizational purposes. 🤭
Thank you for your understanding and have a great day ! ♡
Nazim Bendib
 —
01/07/2022 12:15 PM
Hey @everyone , جمعة مباركة 🕌
AI DAY is going to be online because of covid and to maximize the number of participants in the workshops. So we decided to create a Discord server for the event.
This discord server will be active the whole week before the AI DAY, it's a tool to let the participants network wit each other, and it should be as interactive as possible. For that we need a team of 15 persons to create it and manage it and will be working alongside @Salah and @Ibrahim (they really have experience with discord management 😆).

So yes, if you want to join the AI day discord team, fill this form:
https://forms.gle/b7qieeQgTg7oqt1J6

If you have any question, feel free to ask in
Unknown . Bye 😭 !

01/24/2022 10:17 PM
@everyone For all the members who participated in a workshop of AI DAY 2022:

In order to have you certification, you need to do your assignment to prove that
you have the skill, and submit it to your trainer

Deadline is on Wednesday at midnight, good luck 🧙✨
Nazim Bendib
—
01/26/2022 9:47 PM

@everyone Hey wizards 🧙,
A massive THANKS to every and each member who helped organize this memorable and outstanding AI DAY 🎑 ♡
The success of AI DAY, in no small part, goes to YOUR contribution and effort 🔥
. IN OTHER WORDS, the event coordination and promotion, participants management and logistical and technical support has made such a big event victorious🎉.
Thank you again for the time and dedication to the event! AND remember, what's coming is way better than what's gone. So stay tuned⌛.
Nazim Bendib
 —
02/21/2022 9:48 AM
@everyone Hello Wizards 🧙 , I hope that you did well on your exams, and they didn't break your soul just yet (they already destroyed mine 💔) !!

Now let's get back to work, School Of AI :soai: misses you all, and I wish that you're ready to be active again 🔥 and contribute in what's coming next to make it even more successful 🔥 ✨. As I promised, the highest priority of School Of AI :soai: is to create an environment where you can learn and innovate, and that's exactly what we gonna focus on in the next few days.

- The "AI training program" will be back next weekend: It was on pause because of the exams, since a lot of members told me that they couldn't attend !
- We will start working on the AI content writing for our social media accounts (Instagram/LinkedIn). I will tell you more about it later, I'm still open to ideas ...
- Once we do "intro to machine learning" in our Training program, we will organize a friendly machine learning competition to build a model for our discord bot (Most likely NLP)
- We also have our spot in ESI, but it's no more than an empty dusty room for now :'))) we need to clean it and furnish it too

And finally, we will have our main event of the club, which is ✨ THE HAICK ✨.
The event will inshlh be on 17/03, so yeah we need to start working on it asap !

I will try to organize a general assembly in which we can talk about these upcoming activities/events 😉
So excited to work with you again, take care !

Heyy @everyone 🧙‍♂️ ,
Concerning the NVIDIA DLI Workshop, I sent you a confirmation email that
contains all the details about the workshop along with a form, in which you
should confirm that you are coming tomorrow from 8am to 4pm.

NOTE ⚠️ 🔕 :
If you confirm that you are coming tomorrow and you don't show up, your email
will be saved and you won't be accepted in any NVIDIA DLI workshops, so please
make sure to join tomorrow

I can only have a maximum of 20 attendees per session, so those who didn't
receive the confirmation email, I will schedule another workshop for you next
week inshallah, so stay tuned 🥳

@everyone
Dear wizards🧙 ,

This season was such an incredible one, and that wouldn't be possible without
your help and support, THANK YOU ♡ .

We would also like to thank everyone who participated into choosing the next
Leader of our community 👏.

Thus, welcome the new leader, Wadjih Bencheikh 🎉🎉🎉 .

We believe that you are skilled and talented enough in order to raise School of
AI Algiers even higher   💯.

A new adventure is about to start, make sure to be part of it 💪

Best regards,
Wadjih Bencheikh
 —
09/10/2022 11:38 PM
@everyone
Hello wizards !
I hope you're doing well,✨
I would like to thank everyone of you who filled the election form.♡

It's an honor for me to send this season's first announcement as the leader of
School Of AI and to announce @Ibrahim as my co-lead.🎉

I'm really excited for what's coming and I hope we will all put our best
together and make the greatest season ever !

Before the season begins, it's time we choose the managers. To give everyone a
chance, every member can be a candidate to be the manager of the department of
their choice.

In order to be a candidate, you need to write a document containing the
following details :
- Introduction of yourself
- Experience in SOAI
- Experience in domain and motivation
- Planning and what to expect of the new season

Apply through this FORM
https://forms.gle/JK8KocNoiarrZ3QcA

After applying, the candidates will be contacted to have an interview with the
lead and co-lead.

Good luck for everyone !✨✨

09/22/2022 9:28 PM
Hello wizards @everyone ✨,

We hope that you had a wonderful and fun summer break and that you got to meet

all your friends once again for the new school season🏫. As you might already know, the new season for the club is also starting soon 👀 so we hope you're as excited and pumped as we are for what's coming this year! But before we get into all the fun projects and events 📝 we first need you to settle into your new workspaces. Please fill out the following form in order to choose your new departments🪑, or of course, you can choose the same department you were in before too 😁.

If you want to stay with us this season as a member, please fill out the form: https://forms.gle/8SxPnvqSjGPs4siW9
On the other hand if you want to become an Alumni, please fill out the form: https://forms.gle/M5Gu2Bm1QS3DQtbeA

Important: filling out this form is a necessary step for your continuation with us, members who don't fill it out are going to have to be removed from the club.

09/29/2022 2:05 PM
Hello wizards @everyone 🧙,

We're happy to announce that the new season has officially started! 🔥 If you have not yet noticed you have been affected to your new departments so make sure to have a look around 👀 and get to know your new teammates.

We hope you're as excited as we are for what's coming next, so make sure to show your motivation! 💪

Have a wonderful day 🌼

Hello wizards @everyone 🧙, we hope you're all doing well. 😁

If you didn't know yet, Reading Sessions are finally back! 📖 and today we'll be having our first session of the season, hosted by none other than @Hadjer . 🔥

Today's session will take place at 8pm 🕗 on Google Meet through this link: https://meet.google.com/ydy-fgax-xtp

Where we'll be checking out "Tabular Data: Deep Learning is Not All You Need".💡

The session will have 1 hour of reading 📃 plus 45 minutes of coding and testing the paper, if you want to have a sneak peek beforehand 👀 you can find the full

paper here: https://arxiv.org/abs/2106.03253

Set your alarms as you don't want to miss this opening session ✍, until then,
take care. 🤍

@everyone another good news for today !

We will be organising a stand this Wednesday 5/10 in order to broadcast our club
and its activities to other students :soai: and impress them by showing how
wizardly 🧙 AI can be.
You can join and bring your laptop 💻 , a model/app 👾 you have created and
show it
or simply come to introduce our club and discuss with the young future wizards.

We will start the preparation at 9h and the stand will start at lunch break.
Make sure to be there 🔥
Ibrahim
—
10/04/2022 9:00 PM
REMINDER
@everyone Salam Wizards !!

Tomorrow is our day *-* , our STAND !! This is a reminder for anyone who want's
to help and attend and impress other students by showing our wizardly AI
skills !!
You are all invited ,as @Aitsaid Azzedine Idir stated in the previous
announcement, to bring your laptop, a model/app that you created or simply come
to introduce our club and discuss with the potential future wizards !!

The preparation starts at 9h and the stand will start at lunch break inshallah!!
I hope to see you all there 🔥 🔥

Hello @everyone ,

As you may all know, we organized a stand last week at ESI and it was a huge
success ✅ . thanks to everyone that helped and worked on it 🙏 , thus we
decided to follow it up with another stand but now at the USTHB so everyone can
know how awesome our club is ꜱ ᴏ ᴀ ɪ .

The stand will be at 1:30 pm (october 11th), we will all meet at the club room
around 12:30 pm.

If you want to help organize this stand in any shape or form feel free to fill
the following questionnaire.

Hello wizards @everyone 🧙, we hope you're all doing well. 🤍

Another Friday means another Reading Session 📰, and this time it is a special one! 🎇 We'll be taking a look at the AraGPT-2 paper on Pre-Trained Transformers for Arabic Language Understanding and Generation. 💡

The big surprise 👀 is that we'll be having the author of the paper himself join @Hadjer 🔥 this time to explain the research behind and the code that went in to it. 🤯

You really don't want to miss out on this session 🕐 so make sure to be there, as usual Friday at 8PM through this link: https://meet.google.com/ydy-fgax-xtp

For the resources you'll need 🗄:
▪The GitHub Repository: https://github.com/aub-mind/arabert
▪The paper's demo: https://huggingface.co/aubmindlab/aragpt2-base?text=

Hello wizards 🧙 🧙,
I know @everyone was waiting for this 😉 🤘
It's finally happening, we are kick-starting School of AI semester Projects !!!!
🎉 😱

It's a series of highly interesting and fun Projects, in different fields of AI
that we will realise in groups during all this semester, because kayen exams w
9raya yederengiwna dommage 😔 .
This is the perfect opportunity for you to learn guys, since through each
project rah nhostiw , just for you, workshops conducted by experts in the
domain, and there will be mentors to follow up your work and guide you. :soai:
At the end of each project, the team will present a detailed summary to the
community, we can even help you write an article about it and post it on medium
(if you are interested). 📝

We will announce each project in the
🎯-projects channel, at the end we will send a form for team creation.
I hope the projects will catch your interest and boost you to start your journey
to the top 🚀 ↗️
Stay tuned, because bombs are droping 😉 🔥 💣

Greetings Wizzards 🧙, I hope you are all doing well.

I wanted to thank those of you who attended the first workshop "Introduction to
data science with python" by @Aitsaid Azzedine Idir , It was a really
interesting and wonderful workshop.

Today we are announcing our Second Workshop of AI bootcamp that will be
presented by @Abdeldjalil Hezouat , The workshop will be an introduction to
lists, dicts, functions and an overview of OOP with python. I recommend you
install VSCode with Jupyter extension.

The workshop will be held today at 9PM, be there in time.

Thank you for your attention,
@everyone

Hello dear @Wizards 🧙 🧙
First of all I hope your exams did pass in great terms , now it's time to make
your neurons   focus on AI 🤓 :
Tomorrow Friday 25/11 at 16h , our dear @Moh will conduct the first
miscellaneous AI Camp session (Complementary sessions of the bootcamp) for
beginner and intermediate wizards 🧙 . We will discover with him everything
about Gradient Descent: you'll discover extremely important and powerful notions
that are needed in your AI Camp Journey.:soai:
No coding will be involved and no requirements also: we will see some pure good
old mathematics becoming magic.🧮 🔢
I can certify that I didn't see anyone explain mathematics as fun and smooth as
Moh does, so make sure to be there 🔥
(AI camp official sessions are still intended to continue on the 6th of December
Inchallah)
Wadjih Bencheikh

Hello @Wizard 🧙, we hope you're having a wonderful day because it is just about to get better, 👀

School of AI Algiers has an important announcement to make, we are officially partnered with 🔥 DataCamp! 🔥

For those who don't know, DataCamp is one of the biggest Data Science and Machine Learning platforms on the web 🤓, with nearly 400 courses in 12 different technologies including Python, R, Oracle SQL, Power BI, Shell, & more 🔥 , as well as 15 different career track choices to choose from.

The platform offers video supported courses with hundreds of exercises and projects to earn XP and improve your rank against others ▫ , they even have a mobile app for Android and IOS to learn Data Science and AI on the go 😵 , you'll also have the ability to post and apply for jobs on the platform! 🤑 And of course, every course will award you with your own certificate to show off on your resume. 🔥

Here is the best part though, SOAI's partnership with DataCamp will give members access to their premium account plan for an entire year! 🤓 This subscription usually goes for 300$ and our members will be getting it for absolutely free! 🎇 The accounts will be given out in batches of 50, the first 50 members to get access have already been selected and they'll receive their accounts very soon. 😎

If you want to get your hands on one of these premium accounts make sure you stay active in your department 🔥, but most importantly show us your motivation through your participation in our projects, 🤘 upcoming events and your work in the AI Camp program, 📝 we will be keeping an eye out on hard working members to include them among those who'll get access to the subscription. 👀

We also encourage members who have already gotten their accounts to benefit from them the most, you don't always get a 300$ subscription for free so make sure it doesn't go to waste. 🙏

Have a wonderful rest of your day wizards, and good luck to those who still have exams. 🤍

Hello wizards @everyone 👋,

We're excited to inform you that you have all been affected to your new departments 🏬, sadly, due to the large number of wizards 🧙 joining us this year we couldn't give everyone their first choice of department (especially the dev and design departments) ▫

Don't be let down however! 😍 Every department will have access to the same courses, projects, challenges and events, 🔥 the only difference is the work they contribute to the club, so if you're here to learn AI, you're all good to go. 🤑

With that out of the way, I want to make some points clear so please read carefully ⚠ :

1- Concerning the premium DataCamp accounts, we received 50 accounts and we were obliged to give them to either managers or old active members because we needed to insure that the 50 accounts were being used regularly in order to demand another 50 accounts. Thankfully that was the case and we sent a demand today for these accounts which will be distributed this time to active members in each department so make sure to keep up with the club events and tasks which brings me to the second point I want to make.

2- We noticed an increasing number of messages to all managers because of either missing the deadline of a form or missing an important announcement, that's why we request that you at least download the discord mobile app so you can receive notifications for announcements tags.

3- In order to make it easy for managers to keep track of members, please use your real names in the server (you don't have to change your discord username, you can change the username in this server only. I will show you how in the thread if you don't know how to change it).

PS: If you don't have a department yet, please contact me.

Have a great day 🤍

Good morning @everyone 🧙 , I hope you are all doing well

Our next session of the AI Camp is here and this time we are going to make our
first step towards The world of "Machine Learning". Be present, for this amazing
introduction, as you are going to make your first model today .

This session of the AI Camp will be held today at 8:30 PM, Be there in time.

Stay tuned 🤯.

Thank you
Wadjih Bencheikh

Greetings @everyone🧙 , I hope you are all doing well ✨

Today we are announcing our next session of the AI Camp which is going to be an
Introduction to Confusion Matrix and you also are going to learn one more ML
algorithm.

Make sure you attend today at 6PM

Stay tuned.

Thank you

Hello @Wizard ,

Sry for late spam,
As many of you wanted to buy a T-Shirt or a Sweet-shirt 👕 that has our
logo :soai: on it: we're here to announce that you can finally have one 📸 .
The price of a T-Shirt is 1300 DA and of a Sweatshirt is 2000 DA. If you're
Interested, please fill this form and we will contact you so you can have your
T-Shirt (or Sweet-shirt/hoodie) as soon as possible.🔥 🥳

Edit: form closes Tuesday at 12:00 AM 🕐 .

Hello there @everyone 🤍.
I hope that you all had a good week

It is here! AI SUMMIT is finally here 🔥 . There is only a few days to go and
our most awaited event will be happening.

But hey, there is still one step to accomplish which is choosing the logistics
team, which means if you want to be an AI SUMMIT organizer and you want to get
the honor of being there while the SUMMIT happening and have a great and
memorable time with the whole team, please fill this form by showing us your
motivation and your will to work and give your best because we count on you 😎.

The Link https://forms.gle/HAJ8gjpbRJJdVLdX6
So, for the D-Day, we will need your cooperation to help organize and ensure the

smooth running of the event.
Please feel free to say whatever you wish.

Note that this form is only open for 1 day exactly and the places are very
limited.
Google Docs
AI SUMMIT Organizers
Hello dear members,
I hope that you are all doing great.
It is here: AI SUMIT is here, only a few days to go and we will get to rock it
and impress everybody with our amazing work and organizing.
But hey, there is one last step to do which is: If you want to be an AI SUMMIT
organizer and you want to get the honor of being there while the SUMMIT...

Hello @Wizard,
Each one of you who ordered a T-shirt/Sweatshirt must have received an email to
confirm their order

NB: After calling the store we found out that he changed the prices compared to
last year
so now the price of a T-Shirt is 1400 DA and of a Sweatshirt is 2200 DA.
Wadjih Bencheikh

12/13/2022 1:24 PM
Hello @Wizard
OUR NEXT EVENT AI SUMMIT will be officially in ENSIA the next Saturday
17/12/2022

AI Summit is a series of talks and discussions about the latest research in
artificial intelligence. Its main goal is to encourage students to follow AI
research careers and update them about current AI advancement.

We will have some great researchers, don't miss the chance to be a part of this
event.
As an organizer, or as a participant.

edit: In order to be an organizer you need to fill out the form below
The Link https://forms.gle/HAJ8gjpbRJJdVLdX6
(same form of the previous announcement)

PS: JMA3ET ENSIA NEHTAJOKOM 🐣🐣

HELLO @Wizard s
I'm really happy to announce that AI Summit is successfully DONE

As our speaker said we're now in a world cup level 👀 so for that i would like
to thank each one of you for your efforts because without the tiniest task that

you did we won't be fe had level

We went with school of ai algiers to the next level 🔥 all of us. Which makes
our mission now a little bit harder to go even further ♡.

I would like to thank @Manager s who worked hard for our event and bla bihom
school of ai Algiers is nothing

OUR NEXT EVEN WILL BE HAICKKK 👀👀
ZAYRO 🔥🔥

01/05/2023 12:53 AM
Good evening @Wizards 🧙 🧙
As you know, today was the last session of Machine Learning of AI CAMP :soai:
From now on our Bootcamp will be oriented towards practising on what we learned
before, all this through: Coding Sessions !!! 👨‍💻💻 👾
For now it will be online but we will do some in-person sessions (we will stream
them for those who can't come at ESI)

For those who didn't follow us from the beginning: This is your perfect chance
to discover what you have missed 🤍🔥 ✅ or maybe refresh your memory for
those who were there 😋
Tomorrow at 18h We will do A reminder of Numpy, Pandas and Matplotlib, We will
solve a beautiful challenge in Python (wlh ghir bzf shbab 🔥), and we will
Preprocess some Data (Clean it, shape it ...etc) 💻 along with me and @Wadjih
Bencheikh
Be sure to prepare an empty Notebook for tomorrow's session and install numpy,
pandas and matplotlib if you're working on local using jupyter !!
For the sessions to be optimal: fun and informative, we need your motivation,
your questions and your implication: ask, answer, code and follow the solutions
with us 👆 🔥 👾

Salem dear wizards 🧙 @everyone ,

The hAIck is approaching more and more and the call for the organizers became a
need.
As you may know, for this year's version we have two tracks, first the workshops
(online and in person) (for the in-person workshops, they will be taking place
during the next weekend), and second the datathon which will be happening in
February 23, 24 and 25.
First, for the workshops, we need some of you who will be there when the
workshops happening to ensure a good quality and a good condition for our dear
learners.
Second, for the datathon, or the d-day, we need most of you to take care of our
participants during the three days.

If you are interested, please fill the form by showing us your motivation and your will to work and give your best because we count on you.

The link to the form 📎: https://forms.gle/Q4cZBAMyVm6M9HHz7

Note that this form is open for 48 hours.
Feel free to add anything you want or ask your interesting questions!

Hello @Wizard

You all should know about DataCamp Classrooms, which gives qualifying teachers
and students unlimited free access to their industry-leading data science
education platform. https://bit.ly/3X4nTam

College/university professors get six months of Premium content and Workspace
all without giving their credit card information. They can invite all of their
students into their group, thereby sharing access to 410+ courses across all
skill levels and topics.. When their group expires, teachers may simply apply
for a new one!

Additionally, secondary school teachers in the USA, UK, Canada, Belgium, France,
Poland, and Czechia are also eligible to apply.

Please share with all the teachers you know!

Hello @Wizard
SAHA RAMDANKOM

I am thrilled to announce our next event, INDABAX Algeria, which is coming up
soon!
INDABAX Algeria is a fantastic opportunity for us to come together and learn
about the latest trends and innovations in AI, as well as network with like-
minded individuals.

This event will be held on May 6th and will feature several keynote speakers,
interactive workshops, and networking sessions.

IndabaX happen every year all around the African continent with the sole aim of
spreading knowledge. Algeria is hosting its third IndabaX and its first in
Algiers.

Be ready to contribute in this incredible experience!

If you have any questions or concerns, please don't hesitate to reach out!

Greetings @Wizards 🧙 🧙 ▫ ,
I hope you're taking a good care of those brain cells of yours 🧠 :soai:

What's Ramadan without the Sahra challenges and competitions 🌙, late night
coding 💻 and staying up until S'hour 🛌 ?

Don't worry, we thought of you and we are bringing this time: Ramadan Challenges
!! 🍪 ☆
It's a series of weekend-long (3 days) online internal Datathons where you get
to compete on Kaggle to get the highest score and destroy the leaderboard 💯

We will launch the competitions on the remaining weekends of the Holy Month,
starting This Friday 31/03 at 00:00 (Tsemma lyoum f lil 👀): The first
competition will end on Sunday 02/04 at 23:59. The second competition will be
the next weekend Inchallah.

We will share the links of Kaggle competitions on the due time here and on our
Instagram page. Winners 🏆 will have some surprising
surprises ! :blink: :stars~1:
 Stay tuned ♡👍 👍 🚎 📱
Aitsaid Azzedine Idir
 —
03/30/2023 2:03 PM
And to help some of you getting that high score on Kaggle Competitions 🏅, we
are doing yet another AI Camp Session about Feature Engineering ! 🛠 🎁

It is indeed a fundamentally important skill to learn in Competitive Data
Science along with Data Exploration 🔍, Data Cleaning 🧹 and Modeling ☑ ...

@Wizards, the session will be This Saturday 01/04 at 22:30 with our amazing
Kaggle Master @khaldiabderrahmane 😎 👍

Until then, take care of yourselves ♡👍 and Saha ftorkom 🌙

@Wizard School of AI is going back to publishing on Medium again! 🔥 🔥

We're looking for anyone motivated in writing any type of article relating to
AI, Data Science, Machine Learning...etc 🐻 just make sure to stay in the theme
of our club. It doesn't have to be fully technical too. 🎒

You can write in either English or French, so a certain level of literature is
required, therefore make sure you have okay writing skills and are comfortable
with the language you choose. ✍

You can write about a topic you know very well already, or you can choose
something new to you as long as you trust yourself to do enough research about
it. 🔍

Finally this is a great opportunity for you not only to improve your writing
skill (which is something you'll need a lot in the future), :blink: but you'll
also get the chance to learn new things about Artificial Intelligence and share
this valuable knowledge with the community. :idea:

If you're interested, please fill out this form 🔥 :
https://forms.gle/oApgpFN1R4JgkpeL8

Saha ftorkom @Wizards 🧚 🧙‍♂️,
I hope you're doing great 🙋

@Mehdi is still winning on those Kaggle Competitions of the second phase of SOAI Ramadan Challenges Allah ybarek, and this time he won both competitions !!! 🔥 But we decided that there will be always a winner in each challenge so we will consider the second place this time 🏅. So @Kamel Brouthen and @Mohamed Messaoud Louamri are winning a Free Premium Datacamp Account and Datacamp Swaggs and Goodies

Congratulations to the winners and to all the other competitors, we hope you had fun competing and learning too ! 🏆 🏅

Don't forget to join us on next Friday 🗓 Don't miss it because it will be the last phase of SOAI Ramadan Challenges sadly 🥺

Until then fellas, take good care of your brain cells 🤯 😊

Hello @Wizard s,

This week, Tuesday from 14h30 to 16h30, we will have an in-person (présentiel) reading session ! Lead by @Hadjer ! 🐫
The reading session will be on this paper: "Scientific Machine Learning through Physics-Informed Neural Networks: Where we are and What's next"
https://arxiv.org/pdf/2201.05624.pdf
We're going to discover a new type of neural network inspired by physics and encodes Partial Differential Equations. @Hadjer has been learning about them these past months, she is interested to hear what you think ☺

This is a novel topic that is evolving really fast and many teams, including IBM and Google teams, are emerging to specifically contribute to it.

Make sure to be there, you really don't wanna miss this 🐫 🐫

Hello there @everyone ✨.
I hope you're doing all great

It is here! IndabaX Algeria is finally here 🐫 . There is only a few days to go and our most awaited event will be happening.

IndabaX Algeria is an Indaba (which means a gathering) organized locally to help develop knowledge and skills in machine learning and artificial intelligence in each African country. It is a concept introduced by the DL Indaba organization with the mission of strengthening AI throughout the continent.

So, if you want to be a part of the organizing team during the event that will be held this Sunday, May 6th,in ESI fill this form.

 The Link
https://forms.gle/UWJNN25wDbM5eCXR7

We will have conferences, poster sessions and some coffee
breaks, so we need the maximum of you!

Note that this form is open for 24h hours.
Feel free to add anything you want or ask your interesting questions!

Hello @Wizard
Some new opportunities 🔥

What is DataCamp ?

DataCamp is one of the biggest Data Science and Machine Learning platforms on
the web with nearly 400 courses in 12 different technologies including Python,
R, Oracle SQL, Power BI, Shell, & more 🔥, as well as 15 different career track
choices to choose from.

The platform offers video supported courses with hundreds of exercises and
projects to earn XP and improve your rank against others ▫ , they even have a
mobile app for Android and IOS to learn Data Science and AI on the go 😵 ,
you'll also have the ability to post and apply for jobs on the platform! 🤯 And
of course, every course will award you with your own certificate to show off on
your resume. 🔥

Premium accounts.. for free ?

SOAI's partnership with DataCamp will give members access to their premium
account plan for an entire year! 😳 This subscription usually goes for 300$ and
our members will be getting it for absolutely free! ✨

How can I get one ?

Fill out this form before Monday 15/05 at 23:59 and we will notify you by mail
once the selections are made.
https://forms.gle/HUrQ4FLUx44QvAiy7

Is there anything I need to do after I get my account ?

You must :

Accept the invitation and gain at least 50 xp within 24 hours of receiving the invitation.
Gain at least 500 xp every month. Once you start learning, you will see that it's easily achievable.

Members who have gotten their accounts must benefit from them the most, you don't always get a 300$ subscription for free so make sure it doesn't go to waste 🙏

Hello @everyone

I hope you're doing well! ☺

I'm pleased to announce the launch of an incredible Research Summer Camp (RSC) organized by School of AI Algiers ! This is a 3-months program for aspiring young researchers to commit to a project and come up with research contributions. 🔥

During these three months, you will be mentored by amazing researchers! Who suggested awesome projects for you! You will also have the chance to write a research poster and even a Paper at the end of the three months!

Projects:

Towards an understanding of computation through time encoding in spiking neural networks by @Younes Bouhadjar#0632
AI Explainability in Medical Imaging: A Case Study on COVID-19 Detection by @Meyssa#4798
Lane Detection and Vehicle Detection for Autonomous Driving by @Amine Remache
Meta Curriculum Learning for Hard Exploration Environments by @azzeddine.chenine#7605
Exploring Mini-Batching Strategies for Graph Neural Networks: A Benchmark Study by @Abderaouf Gacem
Deep learning for Particle Motion Discovery by Hadjer Benmeziane

If you need more info, please check this deck:

Hello @Wizard
🔥 New opportunity!!!! 🔥
Sorry for those who have exams this week 😖

We are excited to share an incredible opportunity with you! BIGMAMA, a renowned
company dedicated to innovation and excellence, has graciously offered us the
chance to invite you to a special day at their organization. This unique
experience will provide you with a closer look at BIGMAMA's vibrant culture,
dynamic projects, and the chance to interact with industry professionals.

Date: June 7th
Time: 11:00 AM
Location: https://goo.gl/maps/gEuYgjw61aD66Zd96

During this event, you will have the chance to:

Explore Cutting-Edge Technology: Witness firsthand the groundbreaking
technologies developed at BIGMAMA. From artificial intelligence to advanced
robotics, you will get a glimpse of the future and the potential it holds.

Engage with Industry Experts: Meet professionals who are at the forefront of
their respective fields. Gain insights into their experiences, ask questions,
and learn about the possibilities that lie ahead.

Discover Impactful Projects: Learn about the diverse range of projects BIGMAMA
is involved in. Witness how they are making a positive impact across various
industries and communities worldwide.

Experience Vibrant Culture: Immerse yourself in the energetic and innovative
atmosphere that drives BIGMAMA forward. Get a sense of the collaborative work
environment and the passionate individuals who make up their incredible team.
Wadjih Bencheikh
 —
06/05/2023 7:57 PM
@Wizard

To register for this exclusive opportunity, please fill the following form:
🔥 https://forms.gle/kBxSuYC88Do3W3bM7 🔥

Spaces are limited, so we encourage you to secure your spot at the earliest
convenience. Feel free to share this invitation with other students who might
also be interested in this experience.
⚠ The form will be closed tomorrow June 6th at 11:00 AM ⚠

We believe that this day at BIGMAMA will inspire you and broaden your horizons as you explore the possibilities of the future. Don't miss out on this extraordinary chance to engage with industry leaders and gain valuable insights.

Should you have any questions or require further information, please do not hesitate to reach out in threads.

Hello @Wizard

We're excited to announce that we have two candidates vying for the SOAI Algiers

lead position for the 2023/2024 season. We sincerely thank both candidates,
@#Oussama Attia and @imededdinemokrane , for their dedication and for sharing
their visions and plans for our community.

To make an informed decision, we kindly ask everyone to take the time to
carefully review their applications, which can be found in the provided links.

    @#Oussama Attia : https://drive.google.com/file/d/10x4HPgeJ1x_cEaNN0D-

Sbah lkhir @Wizard

Lead presentations will start today at 8:30 PM.
Here's the presentations schedule:

20 min: @#Oussama Attia's presentation
20 min: @imededdinemokrane's presentation
30 min: Debates and questions

Please make sure to read their applications carefully and prepare some questions
to make the right decision for the future of School of AI Algiers.

Hello @Wizard

It's time for everyone to decide who will lead SOAI Algiers in the upcoming
season.
Please remember to vote just once using this form.
Link: https://forms.gle/kAM27maWtC4vL5ck8
Deadline : September 27 at 23:59

Again, take the time to carefully read their applications, which can be found in
a previous announcement.
Google Docs
School of AI Algiers Lead Election - 2023/2024
To make an informed decision, please take the time to carefully read their
applications, which can be found in the provided links.

Oussama Attia : https://drive.google.com/file/d/10x4HPgeJ1x_cEaNN0D-
gdia2jGcwJOFG/view?usp=drivesdk

Hello @Wizard,

With great pleasure, I am passing the torch to the next community team, firmly
believing that they will elevate our community to new heights with the vision
and motivation they have demonstrated. 🚀

We would like to extend our thanks to all of you who votes for the future of
SOAI Algiers :soai~1: . Additionally, we wish to express our appreciation to
@#Oussama Attia and @imededdinemokrane for their dedicated efforts in
presenting their visions for the betterment of our community.

Without further, the election results:

    @imededdinemokrane wins the vote with 65.6% of the vote.
    @#Oussama Attia with 29.7% of the votes.

Congratulations to @imededdinemokrane on becoming the next leader of our
community, and a special thank you to @#Oussama Attia for the dedication and
hard work you invested in your candidacy.

So this is my final announcement as the 2022/2023 SOAI Algiers :soai~1: lead.
Wish you all the best for the upcoming season. May it be filled with success,
growth, and accomplishments.

@everyone
Hello wizards, I hope you're doing well,

We are Imed Eddine Mokrane, the new leader of School of AI Algiers, and
@Abdelghafour, who will be the co-leader for this season. Thank you for your
trust, and we promise you that we will do our best to take the club to the NEXT
LEVEL!

Because a great magic show needs more than two people, I invite all the
motivated and excited wizards who want to join our core team and be managers to
fill out this form: https://docs.google.com/forms/d/e/1FAIpQLScok-
zWtDzBGhmYy7Z2rYFv5udDiCVHq6C8YcZ3CRhva3rJUg/viewform?usp=sf_link

In order to be a candidate, you need to write a document containing the
following details :

    Introduction of yourself

Experience in SOAI
        Experience in domain and motivation
        Planning and what to expect of the new season

The deadline to close this form is October 09 at 23:59.

Thank you again.

Good morning @Wizard 🧙 I hope you're doing well, I'm @youcef BENALI the human
resources manager of the season 2023/2024 I hope we'll work together to make it
a fantastic and memorable year!

So, as the new season began, we should re-integrate the wizards so they can stay
in their department to help the newbies, or switch the department to learn other
things and gain another experience !!!

You'll find below the link to the form of re-integration, make sure to read the
description of each department and fill it unleashing your motivation

https://docs.google.com/forms/d/e/
1FAIpQLScwkYV_H3CILgR_raJMyEr3QkbYB3YLfDqi9Yq88B7NowlkyA/viewform?usp=sf_link

PS: the deadline of filling the form is 15/10/2023 at 23.59, make sure you
respect the deadline and fill the form.

@everyone Reminder: the form of re-integration will be closed today at 23:59,
don't forget to fill it
youcef BENALI
—
10/17/2023 8:52 PM
Hello @Wizard 🧙I hope you're doing well, the re-integration is finished, each
member signed in the reintegration form is sent to his new department, hope
we'll work together to make it a successful season!!
For those who are not a member in any department and still want to be in the

club, please contact HR team me @youcef BENALI or @Yasmine Choukrane to integrate you, have a good night

@everyone Hello wizards 🧙, We hope you are all doing well

We are delighted to announce that we partenered with Mr. Abdelghani KABOT (The ML team Lead @Namla & NVIDIA DLI Instructor) to organize an AI event at ESI this Saturday, November 11. You can sign up for the event from this link:
https://forms.gle/3DgNGYaxdsAgyPBn8

Please note that the talk is open for everyone but a NVIDIA Certificate of Fundamentals of Deep Learning is needed to join the workshops.

Here is the agenda of the day:

    8:30 to 9:30 (open for all): Mr. Abdelghani KABOT will talk about what ML in action means, where we will discuss the different ML roles, the different types of AI companies, and how to prepare for SWE and ML interviews.
    9:45 to 11:00: Learn the basics of PyTorch, conducted by Anfal Yousra BOUCETTA and Meriem BAZIZ, who are 5th year ESI students and MLOps trainees at Namla.
    11:00 to 12:30: Build GPT (part 1), will be conducted by Azzedine Idir AITSAID, who is a 5th year ESI student and MLOps intern at Namla.
    2:00 to 3:00: Build GPT (part 2), will be conducted by Azzedine Idir AITSAID as well.
    3:00 to 4:30: Semantic segmentation with PyTorch and PyTorch Lightning, will be conducted by Meriem BAZIZ and Anfal Yousra BOUCETTA.

We hope to see you all there Inchallah ♡✨

Best regards,
Google Forms: Sign-in

11/25/2023 1:43 PM
Hey there, @Wizard

We've got an exciting opportunity to collaborate on a Clinical NLP project
focused on drug repurposing. We're seeking two passionate individuals with a
strong NLP background (preferably 2CS or 3CS students) to join the team.

Led by an international researcher and supported by two PhD students, each phase
of the project will last 3 months with a paper published at the end.

Feel free to reach out via DM with your CVs to express your interest and learn
more about this opportunity.

Note: This is an unpaid opportunity.

Heyooo @Wizard 🤍
 Excited to kick off your AI journey?! 👾 Ready to boost your AI know-how and
gear up for impactful contributions to AI projects? 💥

👾 Welcome to the AI CAMP - where the magic of learning meets the wonders of
technology! 🙇 Explore a series of workshops designed to give you a solid
understanding of Ai. This camp is the perfect opportunity to lay the foundation
for your AI journey!

🗒 Brought to you by the wizards at the School of AI Algiers, the AI Camp covers
fundamental concepts to hands-on applications. 💫 From the basics of AI to the
intricacies of Machine Learning and the depths of Deep Learning.

🔍 Delve into the world of AI with workshops covering basic concepts,
mathematical foundations, and coding essentials. Immerse yourself in the realms
of Machine Learning and Deep Learning, and later specialise in AI Camp tracks:
CV (Computer Vision), NLP (Natural Language Processing), or RL (Reinforcement
Learning).

💥 Ready to unravel the mysteries of AI? 🖊 Save the dates, gather your learning
tools, and embark on this extraordinary quest at the AI Camp!
More details will follow soon – enhancing the shared experience!

☺ Don't miss the chance to shape the future with your newfound AI skills. Let
the AI adventure begin!

01/03/2024 7:00 PM

Helo Halo Hilo agaiiiiiiiiiin @Wizard 🤭

We follow up the journey with AI Camp Tracks, an opportunity for all of you to excel in one of the main sub fields and applications of Artificial Intelligence 🤘

    Computer Vision 📷
    Natural Language Processing 📰
    Reinforcement Learning 🕹️

The tracks workshops will run in parallel, you have the choice at any time to attend any workshop, but preferably, we advice you to stick with one track in order to gain a deeper understanding in a topic allowing you to collaborate on its related projects 🪁

REMINDER: AI Camp presents a unique opportunity for every member to do his/her main motivation of joining SOAI, LEARN AI 🎇 and there is no doubt concerning either the effort or the quality content provided by our dear technical crew, so, telling you again, SEIZE THE OPPORTUNITY! 📢

Additionally, better get the most of the learning phase in SOAI, because what is coming next, is absolute FUN, better be prepared 😉

Enjoy the camp wizards ▫

AI Camp Tracks WORKSHOPS starting soon! @Wizard 🫠
Image
Kamel Brouthen
　—
01/04/2024 8:01 PM
@Wizard we are starting... 🔥
Kamel Brouthen
　—
01/04/2024 8:44 PM
Hello dear @Wizard

I am here to announce the rescheduling of our AI Camp Tracks due the following
reason:
AI Camp sessions started very well with attendance rate ranging around 20-50
ones in the shared track (Basics/ML/DL), but around last sessions especially in
the second week of the holidays, we noticed a drop in attendance which does not
relate to the mentors efforts put in workshops preparation and their generous
willingness to answer you questions live. Hence, I decided to reschedule the AI
Camp tracks as they play a pivotal role in achieving our goals of teaching our
new comers about AI and ensuring a smooth integration within SOAI AI projects
next. I may assume that the attendance drop may be related to exams, holidays...
etc

All in all, I am sharing with you the following form in order to collect your
feedbacks, opinions and suggestions in order to make a better informed decision
for the next rescheduling
https://forms.gle/8FiLUdBvfFhdkUFGA

We really look forward to your collaboration! Google Docs
Rescheduling AI Camp Tracks
This form serves collecting feedback from members around AI Camp Tracks schedule

Greetings, @Wizard s! 🫠

We're thrilled to announce that the AI Camp is back, offering you the
opportunity to excel in one of the main subfields and applications of Artificial
Intelligence �glasses:

-Computer Vision 📷
-Natural Language Processing 📰
-Reinforcement Learning 🕹

These tracks' workshops will run concurrently following the shared agendas
below.

Furthermore, make the most of learning and get yourself ready because we're
cooking something really great for you.

Enjoy the camp, wizards! ▫

Hello dear @Wizards! 🧙

Hope you're doing well!

So as you ma know we're organizing the AI Real Camp event this weekend, and we need your help to make it happen! 🔥

Kicking off on Thursday, February 21st, at ESI, it's gonna be a blast. Even if you're not looking to compete, we'd love to have you onboard as an organizer.

Interested? Just fill out the form below. Let's work together to make this event a success!

Looking forward to having you onboard!

Dear @Wizard 🤗
It is with pure joy and sorrow that we announce the final step of our beloved AI Camp, moments of generous sharing and science curiosity have come to an end, to better opportunities inshallah 🙌

The final workshop ∞ could not be better than bringing our Founder @Nazim Bendib 1 for Solving Reinforcement Learning Problems: Policy Based Methods workshop on https://meet.google.com/uoe-kdbf-utx 💫

Looking forward to seeing you tomorrow night at 20:00 and can't wait to welcome Nazim again among us ♡
